

How to Hand Letter an Inspiring Message with Markers

Check out how artist Ali LaPere brings a feel-good message to life with Tombow Dual Brush Pens! Get her top tips for hand lettering, creating seamless color gradations, and making your message pop with illustrated accents.

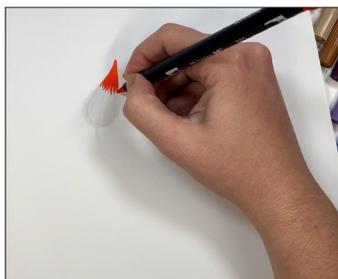

HOW TO MAKE IT

STEP 1

Create a simple outline with Tombow Dual Brush Pen N89 – Warm Gray.

STEP 2

Fill in half of your design with a dark color using light, downward strokes.

STEP 3

Using a lighter color, drag the dark ink down into the rest of the shape.

STEP 4

Keep coloring downward until the entire outline has been filled with color.
